Message from the President of CCR – Paul Murman

Greetings,

Here's a thought. There are only 86 shopping days left before Christmas, and only 69 days until the CCR Christmas Party, which is Saturday, December 9, 2023. The party will be held again at Oaklawn. There is a cost to attend, but all the proceeds will be used to benefit a local charity. You must register and pay by November 10, 2023 to attend the event.

The other Christmas event is an out of town event in Virginia Beach. Since most attendees will stay overnight, a block of hotel rooms has been set aside, and they are filling up fast. Dinner at a local restaurant is scheduled. After dinner, there will be a social gathering and games at the hotel. If you are planning on joining the group at the restaurant, you should register so there will be a place for you.

As a special reminder, the October meeting will be held at King's Korner Restaurant located at the Chesterfield County Airport. The meeting begins at 7:30 PM, and the restaurant opens at 5:00 PM. Come early and share a meal with your fellow CCR members. There is no reserved seating at the restaurant for CCR members, it is first come, first served basis. As in the past, CCR will offset some of the cost of the meal. More information is available on our website.

During the October meeting, you will be nominating the candidates who will be running for office as your Executive Board. At the November meeting, we will be electing the 2024 Executive Board. Many of the current Board members have agreed to run again, and I am grateful that they are willing to continue to serve. For the Board members and the support personnel who will be "retiring", they deserve our thanks for their service.

All of those folks have made a special effort to perform their roles well. They have participated in Board meetings, attended general club meetings, performed other assigned tasks, and actively participated in club activities. So please plan on attending these two very important membership meetings.

It is said that life is a journey, so for me, I'd prefer to make the trip in a Corvette with my special gal Gayle as my co-pilot.

Working Club Radios Available for ODs

By David Dolan

You've heard about club radios at recent meetings and in the newsletter. For some time CCR's radios were out of commission. I'm happy to report that we now have three working CCR club radios again.

Like always, **only ODs (*Officers of the Day*) can borrow the club's three radios** for their events. ODs should have a radio as well as the last vehicle and a Vette in the middle of their caravan. Participants should also bring their own personal radios on events.

I will not be attending all events, so ODs should call me after 2 pm (*Dave Dolan 804-640-9338*) IF they want CCR's club radios. I will make arrangements to get radios to ODs and to get them back from ODs after the event.

If you want your own radio (about \$80), **Dean Maddern** (maddfam@hushmail.com) can tell you how to get one.

CMA's 2nd Annual "Cruise in for Donnie Foster"(NSE)

When: Wed, October 18, 2023 4:00 PM, EDT

Where: Colonial Chevrolet 12420 US-1, Chester, VA 23831

CMA's Colonial Chevrolet Invites you to a "Cruise In for Donnie Foster"!

Donnie was hurt in a work related accident on the job and is receiving treatment from Sheltering Arms.

This is not a CCR event, however, CMA is one of CCR's biggest sponsors, so if you can get out on a Wednesday evening from 4-8 pm, let's do this and show our support!

Glen Allen Day Parade – October 7, 2023

O.D. Dave Dolan

It's time again for the Glen Allen Day Parade! We had great turnout for the Sandston Memorial Day Parade and we hope we'll have good turnout for this parade too. If you're available **Saturday, October 7th**, please plan to join us and we'll make sure CCR looks better than the Mustang Club!

We recommend decorating our Vettes in patriotic **red, white** and **blue**. If you don't want to go all out with decorations, grab a flag or two. Masking tape or blue painters tape can be used safely to attach decorations with no damage to your Vette. You can borrow our tape

if you don't have any.

Meet at our house at 8 am (4148 Old Springfield Road, Glen Allen, VA 23060 – **804-640-9338**). Grab some coffee and a quick bathroom break. At 8:30 we'll drive a mile down the road to our staging area where we'll decorate our cars. Step-off is at 9:30.

The parade route is very short -- we drive down Mountain Road and turn into Crump Park where we'll park to undecorate. You can stay and enjoy the day's festivities or you can follow Dave to **JJs Grille** in the Crossridge Shopping Center at 10298 Staples Mill Road.

Rocco's Smokehouse Grill Cruise
Williamsburg, Virginia

Larry and Robin Williams, OD's

Saturday, September 30, 2023

On Saturday, September 30, Larry and I Oded our annual cruise to Rocco's Smokehouse Grill in Williamsburg. As customary, we gathered at our regular meeting place (EXXON/Dairy Queen) on New Market Road at 11:30AM and departed at 12:00 noon.

As the Officer of the Day, we were followed by a beautiful caravan of approximately 23 Corvettes of all colors. What a sight to see....

We traveled down Rt. 5 East, turned right on Jordan Point Road, drove across the Benjamin Harrison Bridge and was escorted by a Prince George County Police Officer to Rt. 10 East, where we were able to make that let turn all together.

We drove down Rt. 10 East for about 25 miles and was joined by another club member who had secured two Surry County Police Officers who directed us through two intersections which led us to the Scotland Ferry. We all were able to board the ferry together and enjoyed a 20 minute cruise on the James River. After disembarking the ferry, we gathered at the Jamestown Settlement parking lot and regrouped. We traveled down the famous Colonial Parkway; but were unexpectedly detoured and had to go through Williamsburg to reach our destination.

We all arrived at Rocco's at about 2:05PM and enjoyed a delicious lunch.

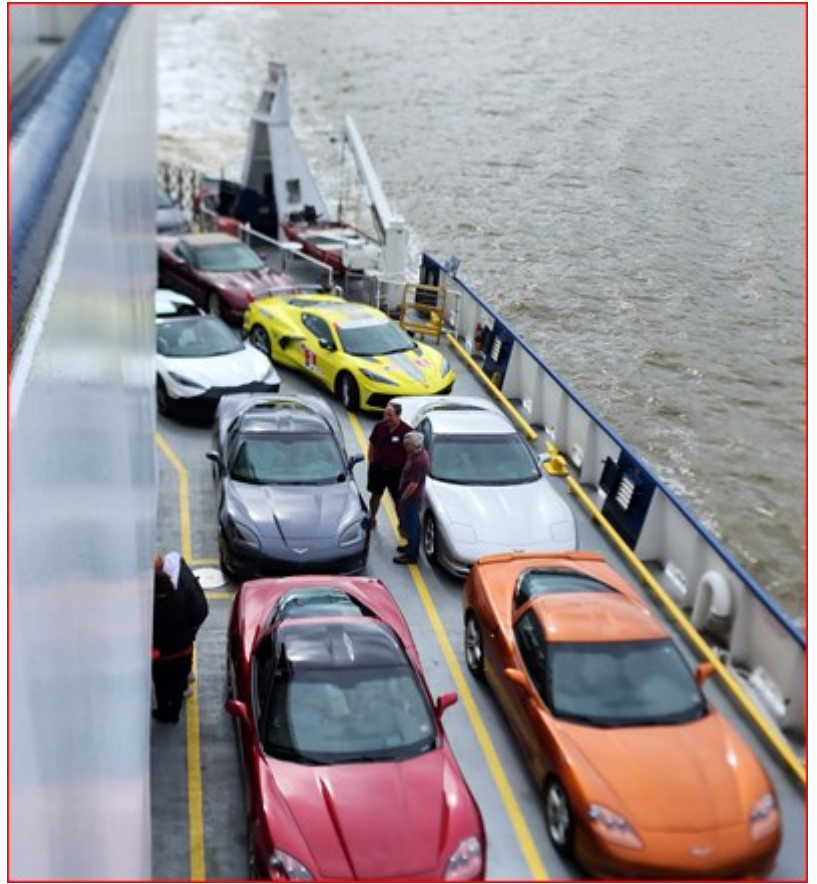

This was truly a great event; and we look forward to cruising with the CCR cruisers again next year.

Super COOL!

At this year's Corvettes at Carlisle event Bob Atwell from the Corvette Club of America chose our 1967 Corvette as his Celebrity Choice winner. Bob asked that we write an article about the Corvette for their clubs Newsletter. Below is that article.

Corvettes at Carlisle 2023

Celebrity Choice

Hi everyone, Mike and Peggy Todd here. First we want to thank Bob Atwell from the Corvette Club of America, one of this year's Corvettes at Carlisle Celebrity Judges for selecting our 1967 Marina Blue Corvette Coupe as his choice.

Bob asked if we would do an article about the Vette's history for your newsletter, so here we go. We are the third owners. The second owner keep the car in their family for over 25 years. We found the Vette at Carlisle in the car corral and purchased it in October of 1997 (26 years ago). Our first cruise was driving it home from Allentown PA to Richmond VA. An exciting and thankfully an uneventful trip.

This Corvette born with the base 327 cu in engine. The only options were power windows and tinted glass. When we bought the car the original engine had been replaced with a 350 cu in engine.

We bought this Corvette to drive. The Vette has made the trip to Carlisle (with the exception of two years) every year since 1998. Because we bought this Vette to drive in 2015 we decided to do a Resto Mod conversion. A small shop in Emmitsburg MD did the conversion. The Vette now rides on a new tubular chassis with C4 Corvette suspension, steering, and brakes. The engine is a new LS3 GM crate engine with a Tremec 5 speed transmission and a Dana 373 rear end. Let's not forget Vintage Air.

In an interesting twist the chassis was ready but we wanted to make one last trip before taking the Vette in to finish the conversion. So the builder put our new chassis on display at Carlisle.

After the leaving the 2015 Carlisle event we dropped our Vette off in Emmitsburg to complete the conversion. Since its completion we have taken numerous trips and enjoyed the reliability, comfort and handling the new setup brings. Our goal was to incorporate newer technology without changing the outward appearance. You just can't improve on the looks of a C2 Coupe. GM got it right the first time.

Again thanks, Bob for selecting us and we will see everyone at Corvettes at Carlisle in 2024.
